"The closest thing to a trail fairy is the VVCC Trail Care Crew Fund"

Trail Care Facts

- 236 miles of trails open to mountain bikes in the Verde Valley
- 21 miles of new trails planned for 2018 in the Western Gateway Trail System
- 40 trail work days per year by VVCC in the Red Rock Ranger District, Dead Horse State Park and Sedona Bike Park
- More than 1600 hours of annual trail work by VVCC volunteers
- Sedona averages 360 rides/month logged and 1,690 users/month accessing our trails on www.trailforks.com

The Verde Valley Cyclists Coalition's Trail Care Crew Fund's central focus is to improve the world-class multi-use trails most important to Verde Valley mountain bikers.

A donation to support trail maintenance is an investment in our community. The Verde Valley trail network improves quality of life and access to recreation. Trails attract thousands of mountain bikers to the Verde Valley and help sustain our local economy. Trails create jobs as well as retail and hospitality opportunities.

How do businesses benefit by supporting the VVCC Trail Care Crew Fund?

- An opportunity to give back to the community
- Contributions are a re-investment in trails...the area's greatest asset
- Sponsors are identified on VVCC website and other media as community-involved

The VVCC Trail Care Crew Fund provides the money needed to help maintain the 236 miles of trail open to mountain biking in the Verde Valley. Trail Care Crew Funds are used for the following purposes:

- Small scale trail construction
- Trail re-routes
- Clean up and repairs due to inclement weather
- Trail armoring
- Other trail maintenance activities
- First aid kits and replenishment
- Refreshments for the volunteers

Last year the VVCC Trail Fund supported:

- Trail Maintenance on
 - Crusty
 - Slim Shady
 - Sedona Bike Park
- Re-routes of Andante and Thunder Mountain Trails
- Construction of the Oak Trail
